NOTICE OF PATIENT PRIVACY PRACTICES

Effective April 14, 2003

Welcome to the University of North Dakota Student Health Services website. Please take a few moments of your time to review Student Health's Notice of Privacy Practices

Pursuant to the Health Insurance Portability and Accountability Act (HIPAA) of 1996, the University of North Dakota Student Health Services has published a Notice of Patient Privacy Practices (NPP). This notice is available on our website, and is available for your review. Please read your notice of privacy rights, and contact us if you have any questions. For your convenience, a notice is also available for you at student health.

Thank you.
